Chinnakurchi Land

0 95 190 380 570 Meters

- » Located at: Chinnakurchi, Bengaluru Urban District
- » Location: $12^{\circ}49'19.77''\text{N}$, $77^{\circ}28'8.43''\text{E}$
- » Land Area: 52 Acres

- » **Survey no:** 53, 54, 55, 80
- » **Village name:** Chinnakuruchi
- » **Hobli:** Kengeri-2
- » **Taluk:** Bengaluru South
- » **District:** Bengaluru Urban
- » **Zone:** Green (Agriculture) & Yellow (Residential)

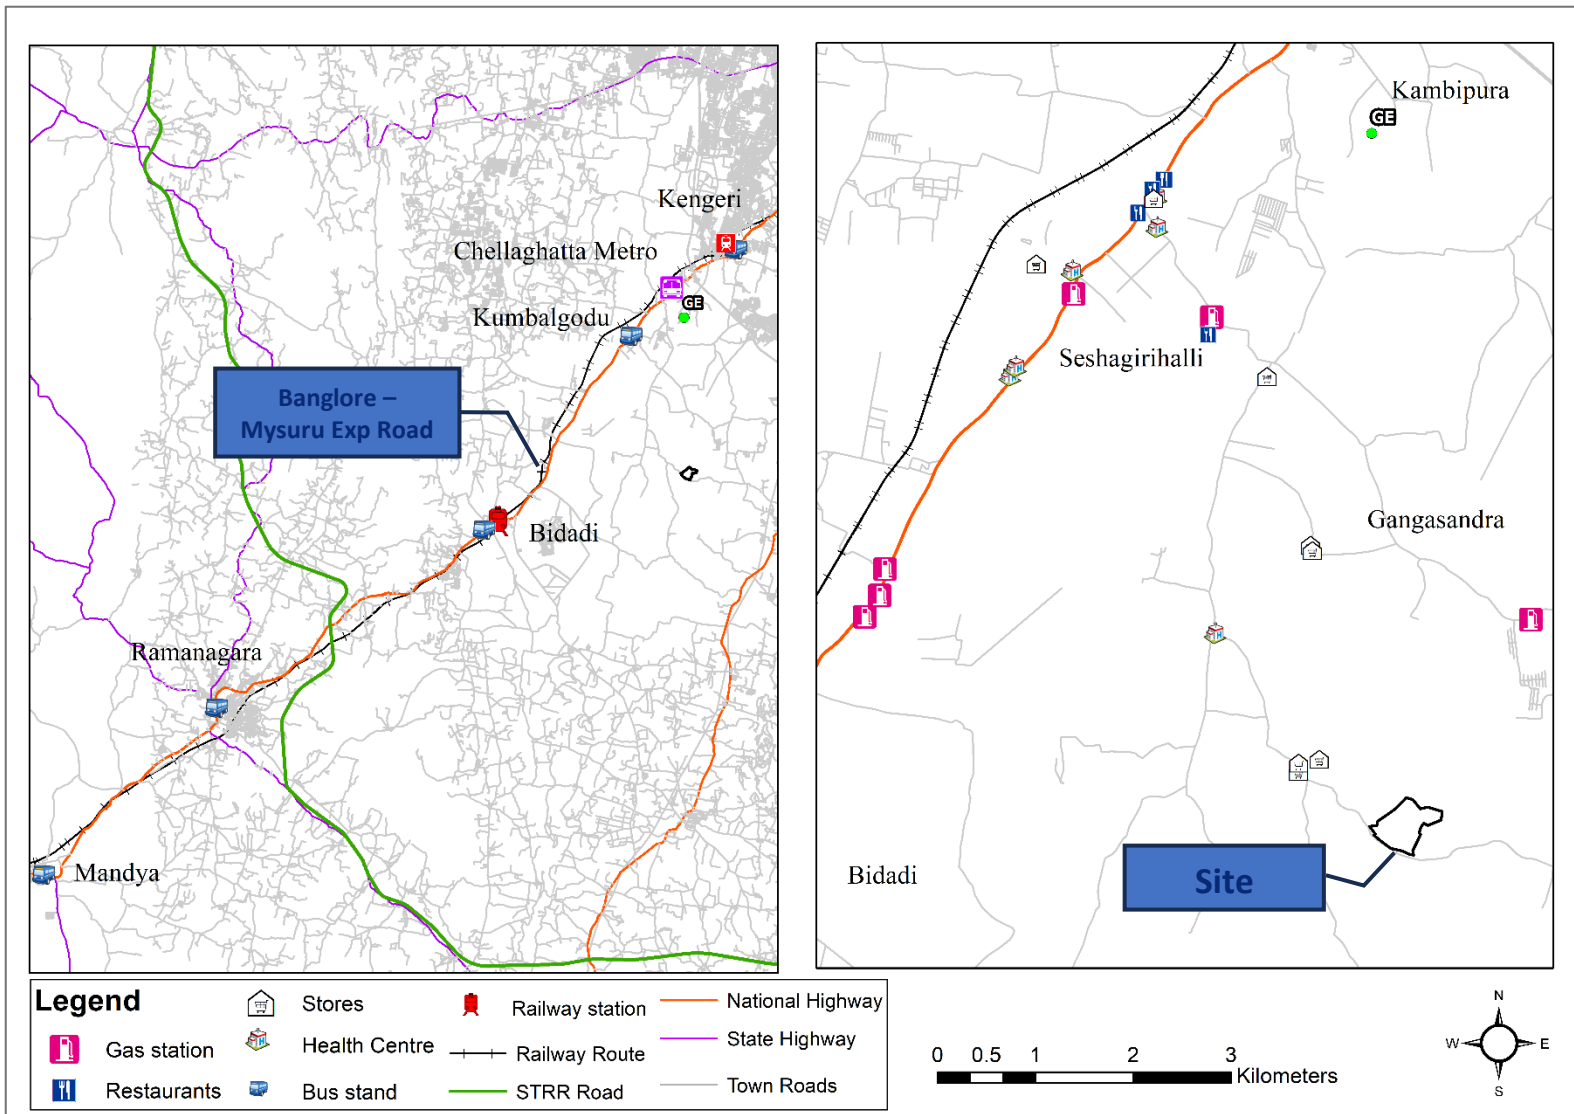

Average Molecular Weight	
Sample	Weight (g)
1	1.0000
2	1.0000
3	1.0000
4	1.0000

Stream and Hillock detail

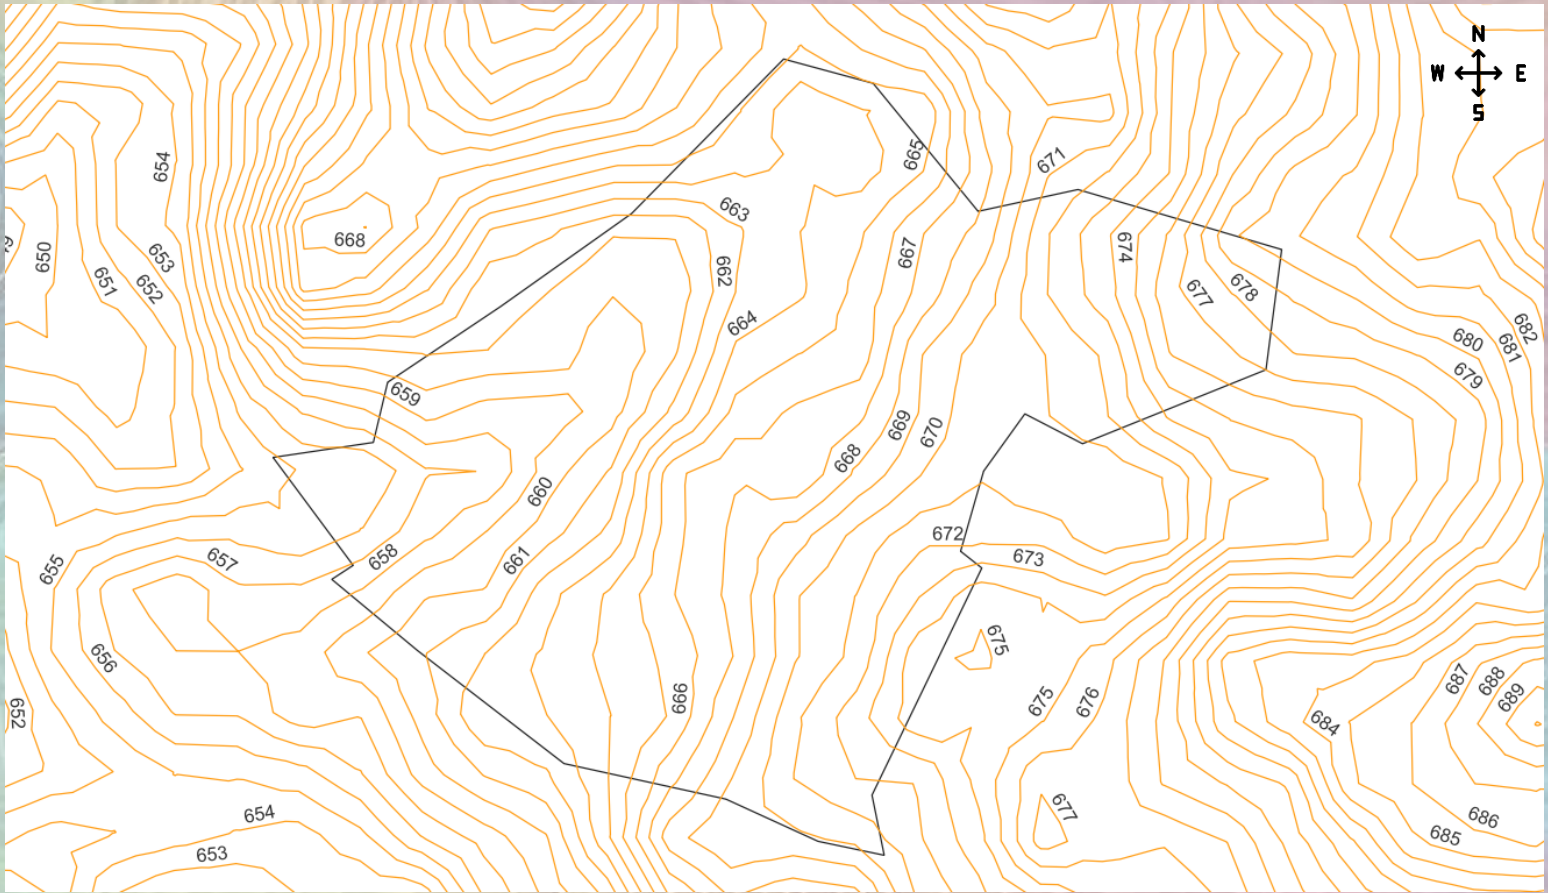

Accessibility Map

- » **Distance to Highway:** ~ 6 km to Bangalore - Mysuru Exp Road
- » **Distance to Bus Stand:** ~ 7 km from the site to Kumbalgodu bus stop
- » **Distance to Railway Station:** 6 km from the site to Bidadi bus stand
- » **Distance to Metro Station:** 14 km to Chellaghatta metro station

Contour map

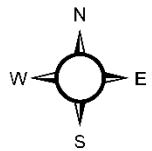

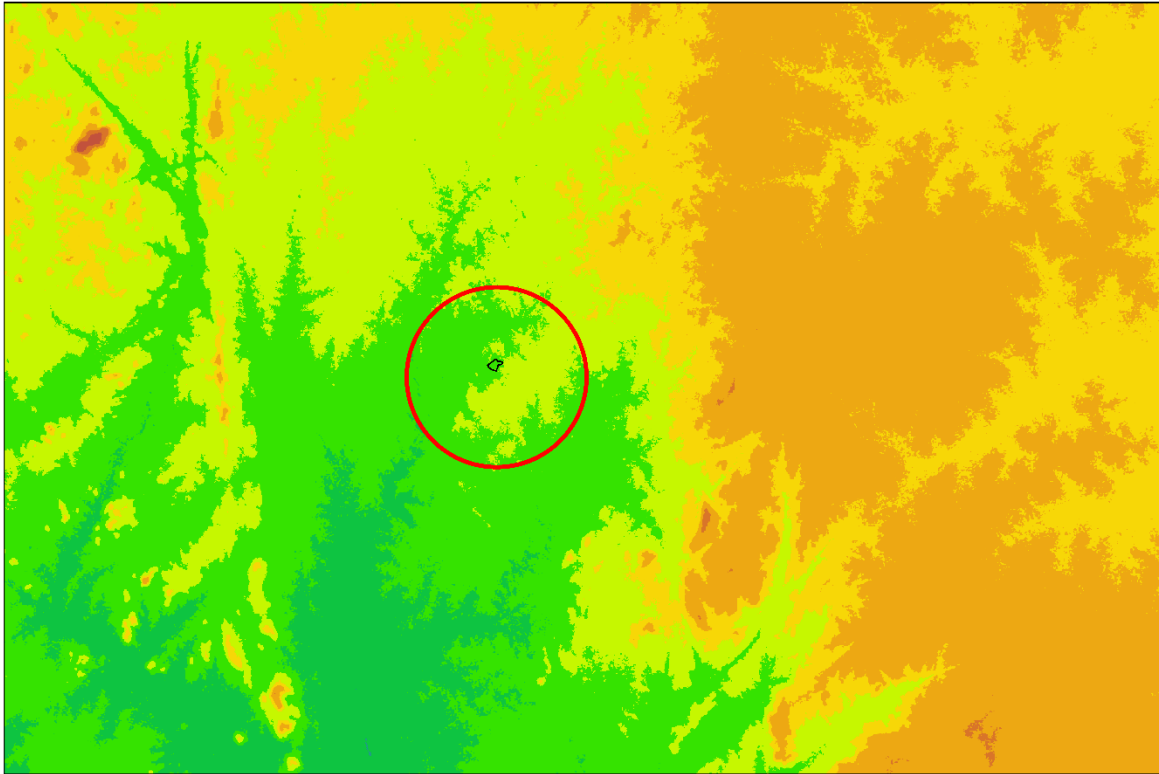

Contour range: 678 to 658 m

Topography Type: Moderate slope across the site

High elevation: South-East **and Low elevation:** South-West

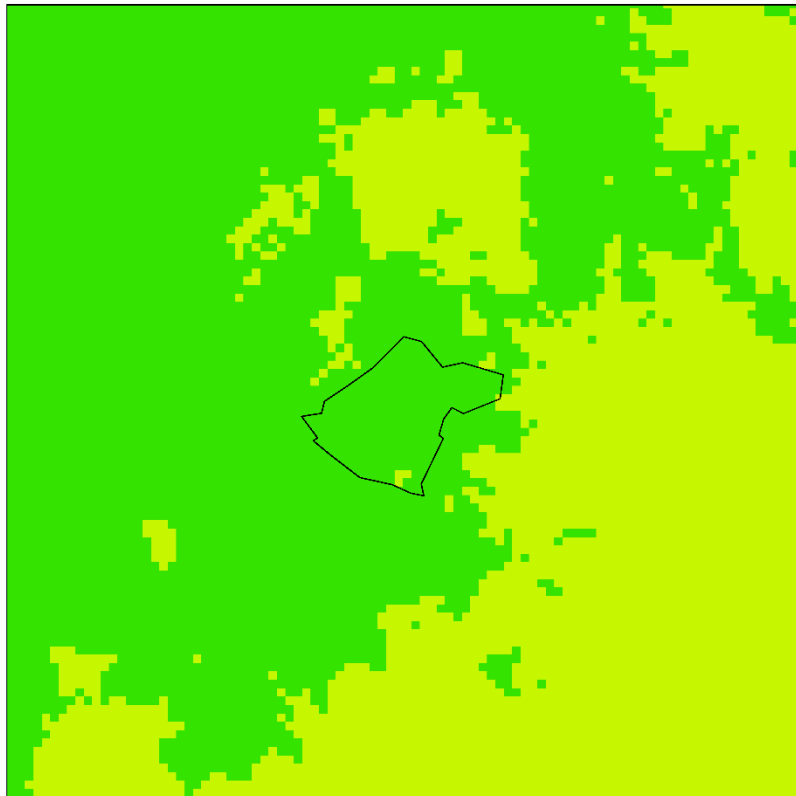

Relief map

Legend

Relief

218 - 409
410 - 535
536 - 625
626 - 691
692 - 761
762 - 831
832 - 892
893 - 972
973 - 1,100
1,110 - 1,500

Elevation range:

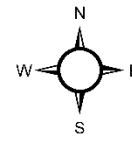

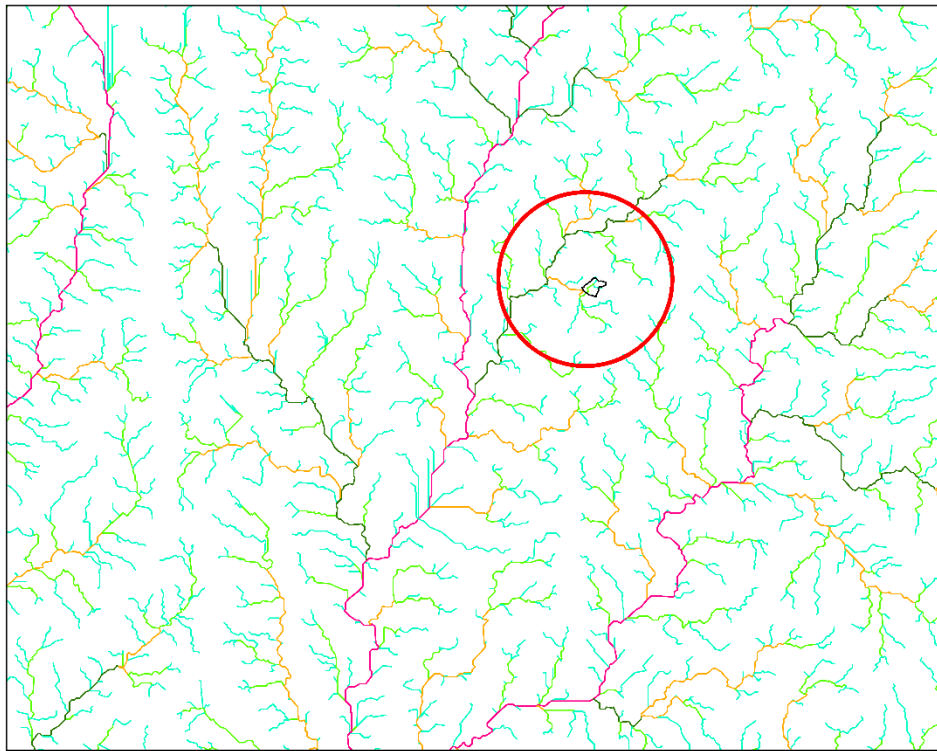

692 to 761 m

Topography

Type:

Undulating topography with moderate relief

Stream Map

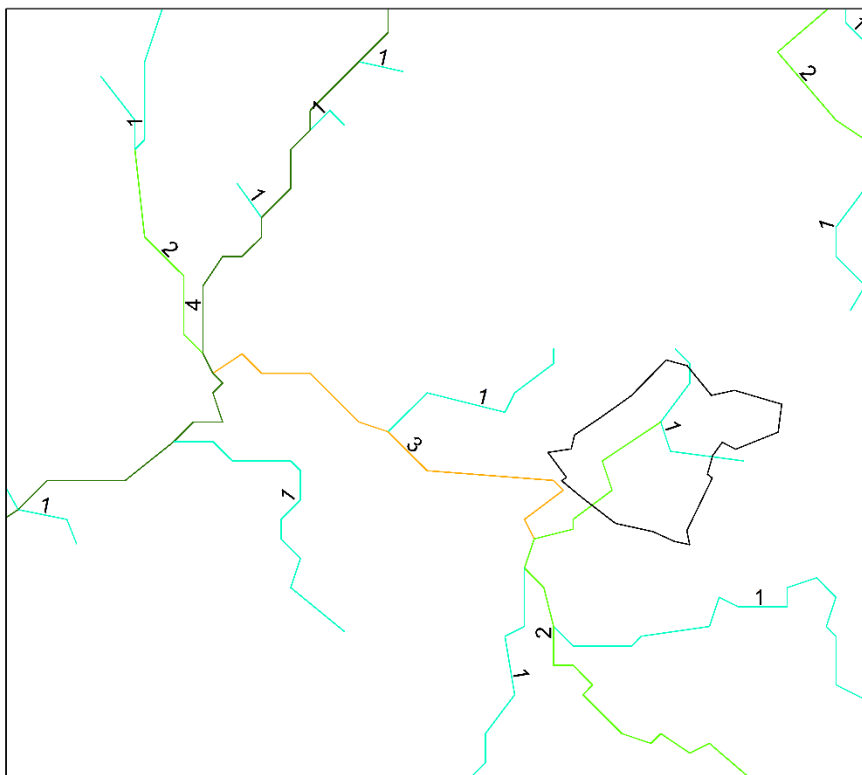

**Stream Order:
Up to 7 orders in
Ramanagara
Taluk**

**On-site: Two first-
order streams and
one second-order
stream originates.**
